

1) Redneck Love (2:53 music:Jroc lyrics:Wads)
i been watchin you, thinkin bout the dirty things baby, i could do. i know you're gonna like this. redneck country boy, fresh from the sticks, yeah, you want it? i can give it to you like you need, you need it, won't you come on and get you some redneck love? i wouldn't tell you no lies girl, i'm gonna rock your world. forty minutes of red hot love, open up baby cause here i come, for you girl, you want it, i can give it to you like you need, you need it, won't you come on and get you some redneck love?!

2) Soakin 'Wet (3:16 music:Wads lyrics:Wads)
when it rains it pours and i'm soakin wet, black cloud hangin over my head, i got whiskey runnin through my veins baby, i'm on fire, look at me like i'm crazy... this is all i know, as i pass you by, baby... it's cause i walk alone, cause i was born high, i live free, nobody's puttin chains on me - i won't be the new attraction in your freak show, live once, gonna do it right, gonna get crazy tonight, i'm leavin here without you, cause you're crazy, like somebody cast a spell on me, i been in the rain, baby, i'm soakin wet, you follow me around like my shadow, no matter what you do, you'll never get my soul, cause i was born high, i live free, nobody's puttin chains on me - i won't be the new attraction in your freak show, live once, gonna do it right, gonna get crazy tonight, i'm leavin here without you, cause you're crazy.

3) High Steppin' (3:59 music:Jroc lyrics:Wads)
high steppin, my feet they never touch the ground, got my head up high, don't i wanna come down, too many things for too many years, so many dreams lost, shed so many tears, you don't know me you never walked a mile in my shoes, don't you come around, bring along that attitude, you can't hold me, don't you go and play a fool, headed your way, i'll step on you if i have to, evil brewin, i'm outta control, my body is shuttin down, i'm gonna blow, you did me wrong but i'll get revenge, don't you turn your back boy cause here i come again, you don't know me, you never walked a mile in my shoes, don't you come around, bring along that attitude, you can't hold me, don't you go and play a fool, headed your way, i'll step on you if i have to, like a bug.

4) Hooked (3:25 music:Wads lyrics:Wads)
well i see you out on the street baby, lookin fine, what i wouldn't give ya now baby, if you were mine, hot look, hot lovin, just a country girl, one time boys down on the farm, you know she rocked my world, and i'm hooked on you baby, you're drivin me crazy, i'm hooked on you baby, yea, i'm hooked on you baby, you're drivin me crazy, i'm hooked on you baby, lawd, she's killin me, more legs than a bucket of chicken, she's so sticky, yea, man, she's a finger lickin' good, oh my, so fine, and just a country girl, one time, boys down on the farm, you know she rocked my world, watch her walk... she's killin me, just killin me.

5) Breath (3:39 music:Wads lyrics:Wads)
up all night, i can't sleep, visions runnin' crazy inside of me, i'm outta control, i'm down on my knees, tryin to tame my emotions is like taming the beast, burnin a hole inside of me, you get close and i can't breathe, nowhere to hide, there's no safe place, you take my breath away, baby, now, don't you know you're my drug? i feign for you when you're gone away, just like an addict, i gotta have some of you today, you break me down, down on the floor, and leave me screamin i want more, more, more, yea, burnin' a hole inside of me, you get close and i can't breathe, there's nowhere to hide, there's no safe place, you take my breath away, you break me down... down on the floor and leave me screamin i want more more more, burnin a hole inside of me, you get close and i can't breathe, there's nowhere to hide, there's no safe place, you take my breath away.

6) Thing Called Love (2:56 music:Wads lyrics:Wads)
3 o'clock in the mornin beatin at my door, said you didn't want me but you're back for more, wham-bam, thanks a ma'am, as we hit the floor, burnin with desire, burnin to the core, i wanna shake your tress girl, gonna run through those hills, daddy gone love, you're gonna get your fill, i'm ready to take the chance, i'm beggin for some more, thing called love, i like the way you work it, won't ya work it for me? lovin so hot girl, you know you bring me to my knees, heart beatin' faster, i'm full of desire, girl, don't you know you're the one that takes me higher? i'm ready to take the chance, i'm beggin for some more.

7) Wouldn't Be (2:56 music:Wads lyrics:Wads)
i open my eyes to the darkness, my sunshine is gray, my mind is gone, i'm out of place, there's a piece of the puzzle missin', can't find my way, somebody help me, i've fallen from grace, in a world so cold you try to rescue me, and you opened my eyes to realize, without you i wouldn't be, my body so scared up, open wound inside of me, these troubled times... won't let me be.

8) Fallen (3:07 music:Wads lyrics:Wads)
i see your face is dirty, i'll wash you, cause i want you, i know your heart is hurtin, i'll heal you, cause i want you, i know the pain your feelin, felt it before, time can heal the pain but it still leaves a hole, and the tears, they fall like rain, what was once can never be the same, we've fallen, i see your hands are shakin, i'll calm you, cause i want you, i know your mind is breakin', i'll fix you, cause i want you, i know the pain your feelin, felt it before, but time can heal the pain, but it still leaves a hole, and the tears they fall like rain, what was once, can never be the same, we've fallen, i see your face is dirty, i know your heart is hurtin, i know the pain your feelin, i see your hands are shakin, i see your mind is breakin, i know the pain your feelin, and the tears, they fall like rain, what was once, can never be the same, we've fallen.

9) Sorrow and Grief (2:39 music:Wads lyrics:Wads)
so many miles i've traveled, too many sores on my feet, i carry too many burdens, i search endlessly, i wander an endless highway, nothing in front of me, on and on forever, i carry sorrow and grief, i roll like an open highway, i keep moving along, and miles and miles from nowhere, it's easy to get lost, i wander an endless highway, nothing in front of me, on and on forever i carry sorrow and grief, on and on.

10) Superman (2:42 music:Jroc lyrics:Wads)
i come in peace, i came for you, i've been waiting a long time, some dreams do come true, i want to make you want me, i'll be your only man, i'll be like none before me, i'll be your superman, i'll be your superman baby, i'm made of steel, wanna make you love me, i wanna make you squeal, three hundred and sixty degrees of a throbbin meat, i roll like a runaway train, baby, you control me, i know you like maternal things, i know you're hard to please, give it a chance, bet you'll never leave, i'll be your superman baby, i'm made of steel, want to make you love me, i wanna make you squeal, go on and taste it... and lick me clean, you got the lovin i want, it's time to give it to me, i'll be your superman baby, i'm made of steel, wanna make you love me, i wanna make you squeal.
