

The video of "Soakin' Wet" included on this CD was filmed on location in Taylorville, KY August 7, 2005 Thanks to Rob and Weed and Paul Norton for their contributions to the video, and the entire Weed family for allowing something like that happen on their property

Special Thanks:

Duane Lundy of Shangrila Productions Fender, Jen Strawberry and all the Airradio.net crew who have become great friends and turned us on to a whole new world of fans all over the globe
Two Pump Chump for all their support and opportunities
Terri and Tom Covello for all their help with promotional materials
Nick Borkowski for boundless energy and help with anything and everything and being as jacked up about this band as we are
Billy Compton for all the guitar teching and studio support
Rolz and Maxx for backing barking on "Reheck Love"

All the friends, family, wives and girlfriends for supporting us through this rock n' roll mission.... its been a long hard road... and it's not over yet
And of course to the all the die-hard fans because without you we are nothing
This album is for you... enjoy.
